## leaf stencil

(from the 'Adventure' party)

### Instructions:

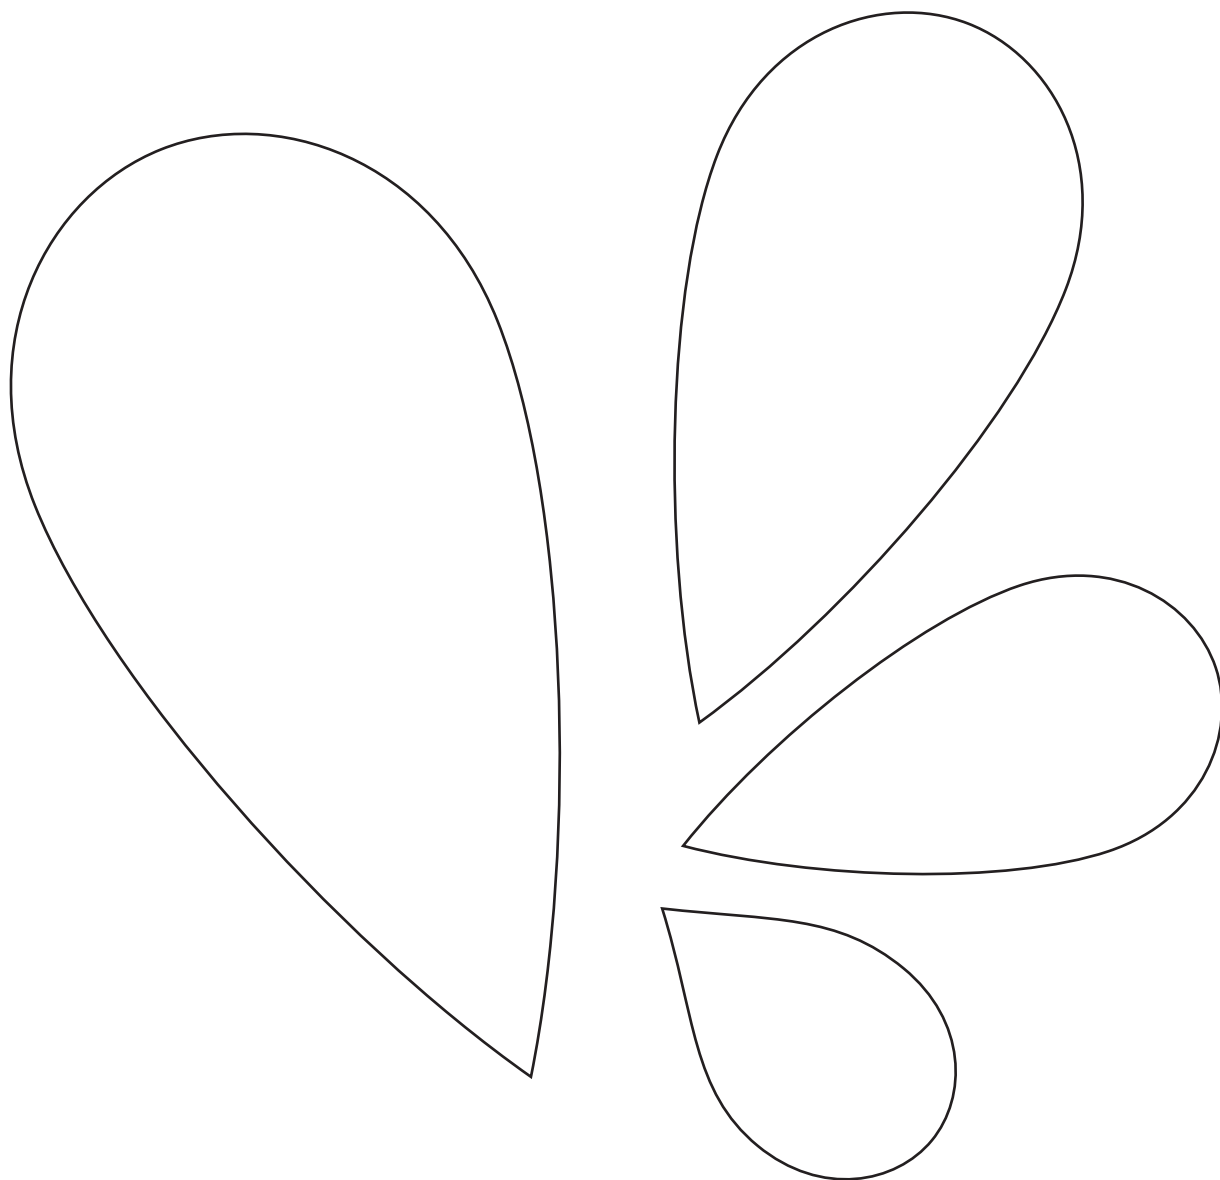

Print the leaf and use as a template to cut 32 leaf shapes from pastry to make the meat pie leaves on page 126.

### dinosaur bones stencil (from the 'Adventure' party)

**Instructions:**

If you can't find dinosaur bones from toy stores, you can use this stencil. Photocopy and enlarge until it's large enough to fit inside the hole. Cut the stencil out and trace onto white cardboard. Alternatively, you could use the stencil to cut the shapes from fondant. Use to make the dinosaur digging site cake on page 122.

## garden butterfly wings

(from the 'Party Cakes' story)

**Instructions:**

Print the shapes and use as templates to cut the fondant for the garden butterfly cake on page 133.

## magical fairy wings

(from the 'Party Cakes' story)

**Instructions:**

Print the wings and use as templates for the magical fairies cakes. Adhere the wings to the back of the dolls on page 135. You may like to print two copies and adhere two of the colours together to ensure both sides of the wings are coloured.
